

Úti beszámoló

Az MTA Bölcsészettudományi Kutatóközpont Zenetudományi Intézetének két munkatársa, Dalos Anna (a „Lendület” 20–21. Századi Magyar zenei Archívum és Kutatócsoport vezetője) és Kusz Veronika kettős céllal utazott az egyesült államokbeli Tallahassee-be 2015 októberében. Egyik feladatuk Dohnányi amerikai hagyatékának hazaszállíttatása, illetve a hazaszállíttatás előkészítése, a másik pedig a tallahassee-i háznál állítandó Dohnányi-emléktábla avatási ünnepségének szervezése és az azon való részvétel volt.

Dohnányi Ernő, a világhírű magyar zeneszerző, zongoraművész és karmester 1949 októberétől halálig, 1960 februárjáig élt Florida fővárosában, Tallahassee-ben, ahol a helyi egyetem professzora lett. A Floridában töltött egy évtized alatt számos, az utókor számára rendkívül fontos zenei és egyéb forrás gyűlt össze házában (Beverly Court 568), illetve irodájában, a Florida State Universityn. A dokumentumok az azóta eltelt évtizedek alatt többféle gyűjteménybe kerültek: egy jelentős csoportjuk az egyetem zenei könyvtárában, az FSU Warren D. Allen Music Library-ban került letétbe. Dohnányi mostohaunokája és örököse, Dr. Seán Ernst McGlynn ugyanakkor jobbnak látta, ha ez az anyag – hasonlóan a 2014-ben már hazahozott hagyatéki egységhez – Magyarországon találja meg végleges helyét, tekintettel a várhatóan nagyobb tudományos és egyéb érdeklődésre, illetve a feltételezett jobb archivális körülményekre. Az értékes hagyatékrész 60.000 amerikai dollárban megállapított vételárát a Nemzeti Kulturális Alap Ithaka Programja biztosította a Magyar Tudományos Akadémia számára.

A Zenetudományi Intézet kutatói amerikai tartózkodásuk alatt véglegesítették a megvásárlandó dokumentumok listáját (a kézhez kapott letéti listák, ill. az egyetemen ténylegesen megtalálható anyag egybevetésével), ellenőrizték a dokumentumok állapotát, becsomagolták és szállításra előkészítették az anyagot, s megszervezték a szállíttatást. A négy napig tartó munka során a kutatók mintegy 20 szerzői, valamint kopista-másolatban lévő zenei kéziratot (köztük a 2. szimfónia Dohnányi-autográfját), illetve annak másolatait; közel 600, a kutatás számára kivételesen jelentős kéz- és gépiratos levelet (részben Dohnányi tollából, részben Dohnányi levelezőpartnereitől); 22 újságkivágatot tartalmazó albumot, ún. *scrapbook*ot (melyek összesen közel 1000 hosszabb-rövidebb híradást és kritikát tartalmaznak Dohnányi előadóművészi és zeneszerzői tevékenységével kapcsolatban); Dohnányi saját műveinek különféle kiadásokban megtalálható, mintegy 100 nyomtatott kottáját; a Dohnányi által használt, némely esetben értékes bejegyzéseket tartalmazó kottatárát (közel 200 tételt); különböző formátumú hangfelvételeket (Dohnányi amerikai fellépésein rögzített, kiadatlan felvételektől kezdve lemezfelvételein át más előadók által lemezre vett Dohnányi-művek felvételeiig); valamint Dohnányival kapcsolatos szekunder irodalom-gyűjteményt tekintettek át és csomagoltak be. A hagyatékat az utazást követően mintegy két héttel később, 2015 novemberének második hetében érkezett meg a Zenetudományi Intézetbe, ahol azóta a dokumentumok végleges helyükre kerültek, s megkezdődött feldolgozásuk, ill. a 2014-es hagyatékrésszel való összefésülésük. (Ez utóbbi különösen a levelek esetében igen jelentős munka, mivel a három részletben – 2006, 2014, 2015 – hazatért amerikai hagyatékrészek összesen több mint 2700 ilyen típusú dokumentumot tesznek ki. A levélanyag páratlanul értékes és részletes forrásként szolgálhat Dohnányi kutatóinak a jövőben.)

Az amerikai tartózkodás utolsó előtti napján, 2015. október 23-án került sor a kétnyelvű emléktábla avatására Dohnányi egykori háza előtt. A táblát Magyarország Kormánya és Florida Állam Külügyi Hivatala közösen állíttatta, s emiatt nagyon kivételes helyet foglalt el a „The Florida Historical Marker” programban: ez az első olyan emléktábla Floridában, amelynek állíttatását másik ország finanszírozta, továbbá ez az első magyar-angol nyelvű tábla. A tábla magyar nyelvű oldalán az alábbi szöveg olvasható: „Dohnányi Ernő ház. E házban élt Dohnányi Ernő, magyar zeneszerző, zongoraművész és karmester. Dohnányi 1877-ben született, Pozsonyban nevelkedett. Első nyilvános koncertjét 11 évesen adta. Később a budapesti Magyar Királyi Zeneakadémián tanult, tehetségét Johannes Brahms is méltatta. Európa-szerte ismert muzsikussá vált. A 20. század elején a világ számos országában fellépett és tanított, majd 1915-ben visszatért Budapestre. Itt a város zenei életének irányítójaként a Zeneakadémia főigazgatója és a Filharmóniai Társaság zenekarának elnökkarnagya lett. Hazáját 1944-ben el kellett hagynia. A II. világháborút követő politikai fordulat kikezdte hírnevét. 1949-ben elfogadta Dr. Karl Kuersteiner, a Floridai Egyetem Zenei fakultása dékánjának felkérését, és az egyetem professzora lett. 1951-ben feleségével, Ilonával ebbe a házba költözött. Dohnányi Tallahassee-ben folytatta alkotói munkásságát, több jelentős műve is itt született, köztük a Stabat mater és az Amerikai rapszódia. Harminc évvel 1960-ban bekövetkezett halála után a Magyar Állam Kossuth-díjjal tüntette ki. Állíttatta Magyarország Kormánya, a Magyar Tudományos Akadémia és Florida Állam Külügyi Hivatala, 2015.”

Az avatáson beszédet mondott Ken Detzner amerikai államtitkár, Pröhle Gergely magyarországi helyettes államtitkár, a zeneszerző örököse, Sean Ernst McGlynn, valamint Dalos Anna és Kusz Veronika is. Az eseményt jelentős érdeklődés kísérte: az avatáson közel félszáz látogató vett részt (családtagok, szomszédok, egyetemi hallgatók és dolgozók, kormányhivatalnokok, magyar kötődésű érdeklődők), s a helyi sajtó több cikket közölt róla (lásd például: Marina Brown, „Hungarians visit for dedication of plaque on famed composer Dohnanyi”, *Tallahassee Democrat*, 2015. október 2.). Az avatási ünnepség alkalmával a Zenetudományi Intézet kutatói további, a kutatást segítő ismertségeket kötöttek. A zeneszerző unokájának, a Dohnányi-kutatás és a Dohnányi iránt való érdeklődést mindig nagy örömmel támogató Dr. McGlynn-nek régi vágya teljesült azzal, hogy Dohnányi Ernő amerikai éveinek helyszínét mostantól emléktábla jelzi. Az emléktábla-állítás előkészítői a magyar kulturális élet nagy adósságát is törlesztették ezzel.

Jelen beszámoló és a hozzá tartozó jegyzék megtekinthető a 20-21. Századi Magyar Zenei Archívum és Kutatócsoport Dohnányi-honlapjának Gyűjteményeink menüjében:
